The temple of Ħaġar Qim stands on a hilltop overlooking the sea and the islet of Fifla, not more than 2km south-west of the village of Qrendi. At the bottom of the hill, only 500m away, lies another remarkable temple site, Mnajdra found above the Southern cliffs. The surrounding landscape is typical Mediterranean garigue and spectacular in its starkness and isolation.

A multi-purpose hall within the Visitor’s Centre ideal for events such as parties, receptions, lunches and dinners as well as lectures, seminars and conferences. The prehistoric surroundings, fully-equipped facilities, high-standard finish and ample parking space are just a few reasons for you to hold your event here.
