

## Heritage Malta - Online Booking System for Organised School Visits

To all the Teachers, SMT & HODs,

Please be informed that for the scholastic year 2019/2020 Heritage Malta will continue to offer free access to all Heritage Malta museums and sites (excluding the Hal Saflieni Hypogeum) as part of teacher-led school visit.

In 2017, Heritage Malta launched a new online booking system. The system will also be used during the scholastic year starting in September 2019. Please book through the following link <http://heritagemalta.org/schoolbooking/>. Booking is accepted once an email confirming the booking is received; please allow three days for confirmation to be sent. Bookings must be made at least a week before date of visit. Guided tours are subject to availability. Thus, if this service was requested, we highly recommend that the person doing the booking calls the site/museum closer to the date to check regarding availability. Cancellations are to be notified by not later than a day before the school visits. Cancellations received less than 24 hours prior to the visit may result in a penalty if a staff member has been booked to deliver a guided tour. Last minute cancellations may be communicated by calling the respective site or museum. It is important that the number of students visiting does not exceed that indicated in the booking form.

Heritage Malta reserves the right to cancel a booking without prior notification in case of unforeseen circumstances. When possible however, an alternative option will be offered. Please refer to our Terms and Conditions on the following page:

This is a fully illustrated 44 pager written in Maltese that tells the story of Malta from its formation the EU accession. Should you wish to buy this book please send an email to [vanessa.ciantar@gov.mt](mailto:vanessa.ciantar@gov.mt), referring to the date of the visit, the museum and the school.
